Updated Gross Pay Calculation on WA XML File

Contractor Database Area Affected: *Projects > Certified Payrolls > WA L&I XML*

Travel/Subs listed on pay records will be added together with the Gross Pay All Projects to show a total amount in the "grossPay" element on the XML file

The screenshot displays the LCPTracker interface. On the left, the 'Edit Record' form shows payroll details for project 'WA Washington State dept dddd' and employee 'LUCK 2 R, ERIC'. The 'Gross Employee Pay This Project' is 200.000, and 'Wages Paid in Lieu of Fringes' is 44.888. A summary table at the bottom shows 'Trav/Subs' as 5.987 and 'Gross Pay All Projects' as 500.000, totaling 505.987. On the right, the XML file shows the 'grossPay' element set to 505.99, which is the sum of the total gross pay (500.000) and a 'fica' amount (3.00). The XML also includes employee details such as first name 'ERIC', last name 'LUCK 2 R', and address '640 CLAY ST ROOM 122, Belmont, CA 94111'.
